RENEWED PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION PURSUANT TO 37 C.F.R. §1.137(b) and (c)

Sir:

      In response to the Decision on Petition dated January 30, 2009, Applicants hereby renew their request for consideration of the Petition to Revive for the above-captioned application, was been abandoned for filing an Improper Request for Continued Examination in response to an Office Action mailed March 26, 2008.

      The filing of the Improper Request for Continued Examination was unintentional. To correct the deficiency in the Request for Continued Examination, attached hereto is a response to the Office Action of March 26, 2008. In accordance with a telephone conference held between Applicants' undersigned representative and Ms. Sherry D. Brinkley, it is understood that the submission of the response in conjunction with the already submitted Request for Continued Examination fulfills the requirements under 37 C.F.R. §§1.137(b) and 1.114, and thus provides grounds upon which a grantable petition may be made.

      It is further understood that neither the Request for Continued Examination nor the petition fee need be submitted again with this Renewed Petition. Applicants thank Ms. Brinkley for her kind consideration and forbearance in this matter.

Having fulfilled all of the requirements of 37 C.F.R. §1.137(b), Applicants respectfully request early notification that the application has been revived.

Respectfully submitted,

Juan Carlos A. Marquez
